

# COMMUNITY CONTROL

Redistributing power away from harmful institutions & through our community

We are nationbuilding by harnessing, building & flexing community power

Everyone is empowered to have an equal say & a role to play

Power is shared, not over anything or anyone

## COMMUNITY POWER

We work on our terms

Independent from government

Knowing our worth, our authority & our strengths

Leading by following our community processes without ego or hierarchy

Community ownership empowers us

We act in ways that serve everybody

Serving community, coming together, standing up to power

## OUR CARE, OUR WAY

Power to do care on our terms, for our people & Country

Bringing care back to Country

Talking & healing with mob

Listening & responding to community needs

We share joy and celebrate each other

Caring for community, by community

Seeing integrated needs, giving integrated responses

Employing local mob

## COLLECTIVE, CULTURAL GOVERNANCE & ACCOUNTABILITY

Working for the collective

Trusting our community to be in charge

Choosing to collaborate, not compete

We have our community's back & they have ours

Grounded in our ways of working, listening & leadership

Listening & learning from community

Model for decision-making decided by community

Being resourceful & creative

Community ownership & accountability

Resisting government control

## CULTURAL IDENTITY, CONNECTION TO PLACE & EACH OTHER

Being grounded to place

Knowing who we are & our identity

Showing up for each other

Drawing on collective wisdom of community

Understanding community responsibilities

Asserting sovereignty & cultural rights

Feeling connected, included & respected

Standing together through pain and joy

Continuing & reestablishing cultural connections together

Our organisations are part of us, our home, our place, where we belong

## FUTURE-FOCUSED, GROWING LEGACY

Working and thinking intergenerationally

Empowering people to learn in their own way

Connecting with kids & showing the way

Adapting while staying true to core purpose
